7. Statement by director responsible for the business responsibility report, highlighting ESG related challenges, targets and achievements (listed entity has flexibility regarding the placement of this disclosure)

Our Company’s vision is to build an enduring institution focused at content monetization that has a global presence. However, in today’s times, when enterprises are increasingly seen as critical components of the social system, they are accountable not merely to their shareholders from a revenue and profitability perspective but also to the larger society which is also its stakeholder. Towards building an enduring institution, sustainable value creation for all stakeholders is of paramount importance. Our aim is to adopt sustainability principles across our business activities. The Company has adopted the Code of Conduct, ethics and business principles for directors and team members and Whistle Blower Policy. The code emphasizes on various parameters like conducting business in ethical manner, compliance with the law of the land, respect for human rights, corruption free business practices and many more. The Company is committed to identify, monitor and mitigate the risks pertaining to environmental, social, and governance (ESG) issues and their potential impact for our stakeholders. With this report, as a start, we are making an attempt to make our disclosures on ESG practices, and strive to put in place initiatives to address the areas of improvement. In this process, we will be interacting with ESG experts, analysts and our stakeholders on a continuous basis to understand their expectations and incorporate the same within our ESG framework. We invite all our stakeholders to read this report and provide your feedback at [cs@thequint.com](mailto:cs@thequint.com). Your feedback is critical in helping us reach new heights on our ESG journey.

Remarks: Intensity is reported in MT/Lakh and PPP is reported in MT/\$Lakh. Intensity based on physical output is not applicable to our company, as we are a service-based organization and do not produce or manufacture any physical products.

El-9. Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency - No

El-10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes - We have implemented robust waste management practices at all our office premises. Waste segregation at source and procurement of alternative products are the techniques implemented for waste minimization. During the year, we have disposed off e-waste in environment friendly manner and also continuously encourages employees to avoid the use of paper and single-use plastic. We emphasize minimizing the use of paper within the company by encouraging the use of digital documents. We also conduct awareness programs for employees to educate them about waste management practices.

El-11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

| S. No. | Location of operations/offices | Type of operations | Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any. |

Remarks: There were no Environmental Impact Assessments (EIAs) conducted in the FY 2023-24. No fine/penalty/action was initiated against the entity under any of the applicable environmental laws/regulation/guidelines.

EI-13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

| S. No. | Specify the law / regulation / guidelines which was not complied with | Provide details of the non-compliance | Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts | Corrective action taken, if any |
